

## AVAILABILITY OF SECOND MODIFIED TEXT

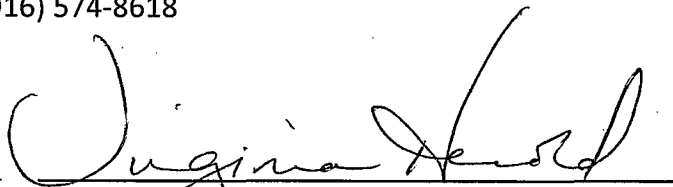

NOTICE IS HEREBY GIVEN that the California State Board of Pharmacy issued a Modified Text notice for proposed modifications to the text of Title 16 of the California Code of Regulations Section 1747 and 1747.1 related to Pedigree Requirements. An error was discovered in the Modified Text that was issued for public comment on December 21, 2012. The board directed that (in addition to other changes specified in the Modified Text) a reference to Business and Professions Code Section 4034(d) be added to the first sentence of proposed Section 1747. This reference was inserted in the wrong place in the first sentence and this Notice of Second Modified Text corrects the placement of that reference. All other modifications to the proposed language (as referenced in the Modified Text issued December 21, 2012) reflect the motion of the board.

A copy of the Second Modified Text is enclosed and is also available on the Board's web site <http://www.pharmacy.ca.gov>. Any person who wishes to comment on the proposed modifications may do so by submitting written comments on or before January 28, 2013, to the contact listed below.
